

Analy Alumni Association

We are excited to announce the formation of the Analy Alumni Association. We have earned our Non-Profit status and are beginning our Membership Drive. All members will receive an Analy Alumni bumper sticker, a membership card, free admission to the Homecoming Football game, and Alumni Newsletter. The first 500 paying members will also have a choice of an Analy baseball cap or visor.

This first membership will actually pay you through June 2013 (1 ½ year) because we are already through the first quarter of this school year. Annual Membership fees are \$25 per Alumnus. Membership is free for those graduating in 1952 or earlier and free for those graduating in 2007- 2012.
